

*Gethsemane*

*Mark 14:32-42*

*I. Why did Jesus take His Disciples to Gethsemane?*

- *While He often went alone, we know its nice not to be alone at times like this;*
- *Its nice to not be alone because the flesh is weak;*
- *Jesus went to the garden to teach us how to face our Gethsemanes, an important truth;*
- *Jesus wanted the disciples to entire into His time of "crushing";*
- *It teaches us that we need God and others in our time of "crushing";*
- *Why do we fail to come along side others in their time of "crushing"?...we can be apathetic, tired, too busy, or lazy;*
- *...we are asked to enter into their time of "crushing" with them.*

*II. What did Jesus Pray while in Gethsemane?*
