

This Little Light of Mine

Matthew 5:14-16

I. You are God's light

Genesis 6:5

Does God have a plan?

We are God's plan...it is our responsibility to help God change hearts one person at a time.

What does the word light mean?

Visible light - we are God's image in this dark world.

II. Don't hide your light.

Why are we tempted to hide our lights?

Reason #1 - Fear

Reason #2 - Love

It is His work, not ours...it matters when we spend time with God.

Why should we shine?

- Because God will be glorified
- Because light has one purpose
- Because you may become a castaway.

Psalms 27:1

Isaiah 45:7

1 Corinthians 9:27

III. Let your light shine before others. Matthew 5:16
