

A New Way Of Living and Loving

1 Corinthians 13:4-8

Love is not a feeling...it is an action or a series of actions.

The Practice of Love

1. Love is Patient...long suffering

2 Peter 3:9

...the spirit that never retaliates.

2. Love is Kind.

Matthew 5:41

...kindness or useful.

Love will really shine in the world in which we live.

Willingness to go the second mile for someone else, also known as the miracle mile, the second mile makes all the difference.

...it is only possible to those who are saved and spirit filled, only then is God's Agape love flowing through us.
