

Fan The Flame

2 Timothy 1:6-7

I. Paul's last words stay faithful... "to fan the flame"

Matthew 24:12

II. What was it that was quenching the fire of his heart and service?

...do not be fearful, timid, or anxious.

...it is usually when we forget God that we fear or become anxious.

III. Where do we go when we feel worried and fearful?

Psalm 34:6-8

...we must go to God with our fears and anxiety.

Notice three things that God has already given you...

#1 Power

...dynamic power to be effective (Ephesians 1:19,20).

#2 Love

...this is an agape love, He has already given us the power, love casts out fear (1 John 4:18).

#3 Self Control

Control of oneself under all circumstances, controlling all our passions.

Sunday Sermon Outline

How do we appropriate what we already have, this Power, Love, and Self-control?

...by faith, we need to choose to yield to the Holy Spirit, that is in you as a believer.

...Yield to the Holy Spirit at every conflict or challenge and He will give us the power, love, and self-control.

Stay faithful - keep on, keeping on!
