

## ***Forgetfulness...Remember me***

1 Corinthians 11:23-25

*Why do we forget?*

***Reason #1 - It's a retrieval problem***

*...everything is stored in our memory, we aren't always able to retrieve it.*

***Reason #2 - It's an interference problem***

*...where one memory interferes with another.*

***Reason #3 - It's a failure problem***

*..."failure to store it", it was never implanted well.*

***Reason #4 - It's a suppression problem***

*...memories can be suppressed, but they can still have the power to influence us.*

*What about God, can He forget?*

*Matthew 6:30*

*Isaiah 49:15*

*Jeremiah 31:31-34*

*Do you know why God can say I forget?*
