

Olly Olly Oxen Free

Luke 19:1-10

With visiting Pastor Bob Shepard

- The story of God and the human race is a story of **hide** and **seek**.
- God is not hiding from us, God wants us to **know** Him, perhaps more than we want to know Him. God is not that **hard** to find.
- Hiding is our first response to an awareness that we have **sinned** - that we have not lived up to the perfection standards of God's holiness.
- It's as old as Adam and Eve. *Genesis 3:8 ***Then the man and his wife heard the sound of the LORD God as he was walking in the garden in the cool of the day, and they hid from the LORD God among the trees of the garden.****
- We could summarize the whole human dilemma with these words - Wanting to **hide**; needing to be **sought**; and **confused** about being found.
- "The Son of Man came to seek and to save the lost". He came to be "***found***".
