

Speck Inspector

Luke 6:41-42

- I. The point Jesus was making...we are far more lenient of our own sin and character flaws than we are of others.
- II. How do we take the log out of our own eye?
 - a. First you must _____ on your own eye problem, instead of others.
 - b. You must _____ yourself.
(2 Timothy 2:20-21)
- III. Taking the log out of my own eye enables me to become more effective in ministry.
