

Spiritual Gifts

A study of I Corinthians 12-14

Spiritual gifts are prioritized by who benefits.

1. Prophecy benefits the church.
2. Tongues benefits the speaker.

Understanding is important to the operation of gifts.

14:14-20 – Tongues is categorized as a gift of spiritual immaturity.

Some gifts are evangelistic tools, while others are tools for edifying the saints.

14:22

Paul's instruction to the church about tongues and prophecy centers on principles he's already established: the benefit of the church.

14:23-31

The spiritual gift is used at the discretion of the gifted.
