

The Gospel Is As Old As Sin

Genesis:14-15

Outline:

I. Literal physical consequences for sin

1. The curse of stature – vs. 14

2. The curse of hostility – vs. 15

II. Literal spiritual consequences for sin

1. Allies in rebellion become enemies

2. Humanity triumphs in the end

*** Note * it is not accidental that John starts his gospel with “the beginning,” and quickly establishes the humanity of God in Jesus Christ.**
