Please Join Us as we roundup local “Cowboys for Jesus”. We will have four days of Music, Bible Lessons, Crafts, Games and Snacks as we traverse the Old West, culminating on July 29th, with a BBQ picnic at Noon for VBS participants and their families (Come one, Come all...brothers, sisters, Mom, Dad, Grandparents). We are not just “horsing around”.

Your children will learn about God’s plan for relationships in our lives using the relationship between a cowboy Pastor and his favorite horses. Pastor Adam will describe a relationship between us and God, the need for trust in a relationship, a relationship that has problems, and relationship that is rewarding.

Children will remember their week with the horses and the lessons learned about relationships.
