

Worship – Lesson 8

First Baptist's practice for corporate worship.

God is our object:

The guiding principle in life – I Cor. 10:31

The best example from Scripture – Rev. 4

Christ is our enabler:

He authored our salvation – Heb. 5:5-10

His resurrection provides hope, yay, zeal – I Cor. 15:20-26

The Holy Spirit is our empowerer:

His influence leads to musical worship and thanksgiving – Eph. 5:18-20

An iconic example is in the early church – Acts 2:4ff; 4:8ff; 4:31ff

The Word of God is our teacher:

It is the powerful element in our lives – Heb. 4:12

It brings proper understanding – Ps. 119:105

It is God's direct Word to humanity – II Tim. 3:16-17

So, consider our worship service:

Preaching is therefore:

For God's glory

Christocentric

Holy Spirit driven

Biblically expositional

Singing is therefore:

For God's glory

Christocentric

Holy Spirit driven

Biblically accurate
